Re: Fields Brook, Ashtabula County, Ohio

Dear Sir/Madam:

Pursuant to the Freedom of Information Act, I am requesting copies of all records relating to the Fields Brook Superfund site in Ashtabula County, Ohio. Our request includes, but is not limited to the following records:

1. The complete responses of all parties served with EPA Section 104(e) Superfund requests.
2. All records relating to industrial activities and operations conducted by specific parties named as PRPs at the site.
3. All records which discuss responsibility of individual PRPs as sources of contamination at the site. Please note that your response does not need to include the March 28, 1985 Final Remedial Investigation Report and the July 3, 1986, Feasibility Study-Fields Brook Site (Sediment Operable Unit).
4. All other records which serve as the basis for EPA to name Sherwin-Williams as a PRP.
5. All other records which serve as the basis for EPA to name specific parties as PRPs.

6. All correspondence between EPA and Diamond Shamrock Corporation, Gulf and Western Inc., and RMI Company relating to the Fields Brook site.

Please call me if you have any questions. Thank you for your assistance.

Very truly yours,
